Practice Areas

Fanqin Meng is a Beijing-based of counsel of Global Law Office. His primary practice areas include dispute resolution and non-contentious cases in real estate and construction engineering, energy and mining, corporate mergers and acquisitions, private equity, and investment funds. He has rich experience in dealing with complex cases such as large-scale project construction, corporate operation, and cases with criminal and civilian elements cross-over.

Fanqin Meng has provided dispute resolution legal services, perennial legal counsel services, and specialized legal services for many well-known enterprises at home and abroad, including Capital Airport, Daxing Airport Construction Headquarters, China National Energy Construction Guangdong Engineering Institute, China National Machinery Group, Moutai Group, Beijing Capital Corporation, Siemens China, TÜV Rheinland, Otis China, LaneCrawford & Joyce Group, etc.

The prominent arbitration cases Fanqin Meng has recently participated in include: a contract dispute over the international sale of goods under the jurisdiction of the Court of Arbitration of the International Chamber of Commerce (ICC), China International Economic and Trade Arbitration Commission (CIETAC) jurisdiction of an Indonesian coal-fired power plant construction contract dispute, a coal power plant in Pakistan EPC contract dispute; A series of project settlement disputes in a data room under the jurisdiction of Beijing Arbitration Commission (BAC).

The prominent litigation and non-litigation cases that Fanqin Meng has participated in recently are the equipment settlement payment dispute of a 2.4 million laying chicken factory in Ganzhou, Jiangxi; the Contract dispute of a series of unfinished projects in Qingdao; legal services for several stated owned enterprises, including construction project tendering and bidding disputes, contract drafting, and review, settlement consultation.
