Practice Areas

Hanna Chen is a partner at Global Law Office. Her primary areas of practice include mergers and acquisitions, private equity investment, foreign direct investment, domestic and international restructuring. Her expertise spans a diverse range of industries, including healthcare and life sciences, internet, technology, consumer goods, energy, traditional manufacturing, film and media, and education. Throughout her career, Hanna Chen has accumulated extensive experience in private equity transactions, domestic and cross-border M&A, general compliance matters, and capital markets-related deals. In the private equity sector, she specializes in assisting private equity funds with investments, post-investment management, and exit strategies, including handling dispute resolution matters.

Hanna Chen has served an impressive array of clients, including leading funds such as HongShan China, Hony Capital, NRL Capital, and Firstred Capital, as well as corporates like China Resources Healthcare, PICC Capital, Fourth Paradigm, CASI Pharmaceuticals, and Yuchai International. Her clientele also includes various other publicly listed and emerging entrepreneurial companies.

Work Experience

Hanna Chen joined Global Law Office in 2018. Prior to joining Global, She worked with Tian Yuan Law Firm in the areas of PE/VC and capital markets.
