Practice Areas

Jenny Chen is a partner of Global Law Office based in Shanghai, attorney at law in PRC, passing the US California Bar Exam, US, certified fraud examiner of US ACFE, and Certified Public Account in China (non-practicing). She mainly focuses her practice on compliance, government investigation, internal investigation and data security.

Jenny is well versed in conducting investigations in connection with anti-corruption (US FCPA and UK Bribery Act), financial frauds, occupational embezzlement, self-dealing, trade secrets, from both Chinese and relevant foreign law perspectives.

Jenny also has extensive experience in cybersecurity and data compliance, assisting numerous large enterprises in identifying potential cybersecurity risks, establishing data compliance management systems and structures, and responding to various types of cybersecurity incidents. In addition, she has handled multiple large-scale projects in e-discovery, cross-border data protection and security, and sensitive information review, providing sophisticated and comprehensive compliance solutions to the clients.

Work Experience

Prior to joining Global Law Office, Jenny had worked in an international law firm for 7 years.
