Practice Areas

Hao Dong specializes in M&A, real estate project development and financing, and general corporate matters.

Hao Dong has assisted many well-known domestic and international corporations with their onshore business and cross-border transactions. His experience covers sectors including real estate, auto parts manufacturing, logistics, equipment manufacturing, pharma and health care and TMT. He is experienced and skillful in designing and executing deal structure and terms, to effectively minimize legal exposures and save costs in association with the transaction, and to ensure the best interests of the clients.

Hao Dong also has extensive experience in labor-related matters, government investigations and corporate compliance, as well as dispute resolution matters.

Work Experience

Hao Dong joined Global Law Office in 2022. Prior to joining Global, Hao Dong worked with another leading PRC law firm for thirteen years.
